EARLY LA CENTER HOUSE  
(approx. 1867-1969)

This house was built and owned by John and Cartheriena Peterson and was located at what is now 310 W. 3rd Street, LaCenter. ↙

John and Cartheriena had two daughters, Amanda Mae Peterson (born April 2, 1879 - died September 18, 1955) and Emmeline (born May 21, 1880 - died December, 1918).

John Peterson was a Union Army soldier and fought in the battle of Gettysburg. He was shot in the knee and carried the bullet to his grave. Mr. Peterson built the first bridge across the East Fork of the Lewis River. John took his family to Wallace, Idaho to prospect for gold. He died there and is buried in the town cemetery. Cartheriena and her daughters returned to the LaCenter-Woodland area. She married a man by the name of Steinmetz and died on May 26, 1900. She is interred in the LaCenter cemetery.

At that time Amanda was eleven years old and lived in Woodland. When she was thirteen she met Al Devers who was living with the Klager family. The house is now known as Grandma Klager's Lilac Gardens in Woodland.

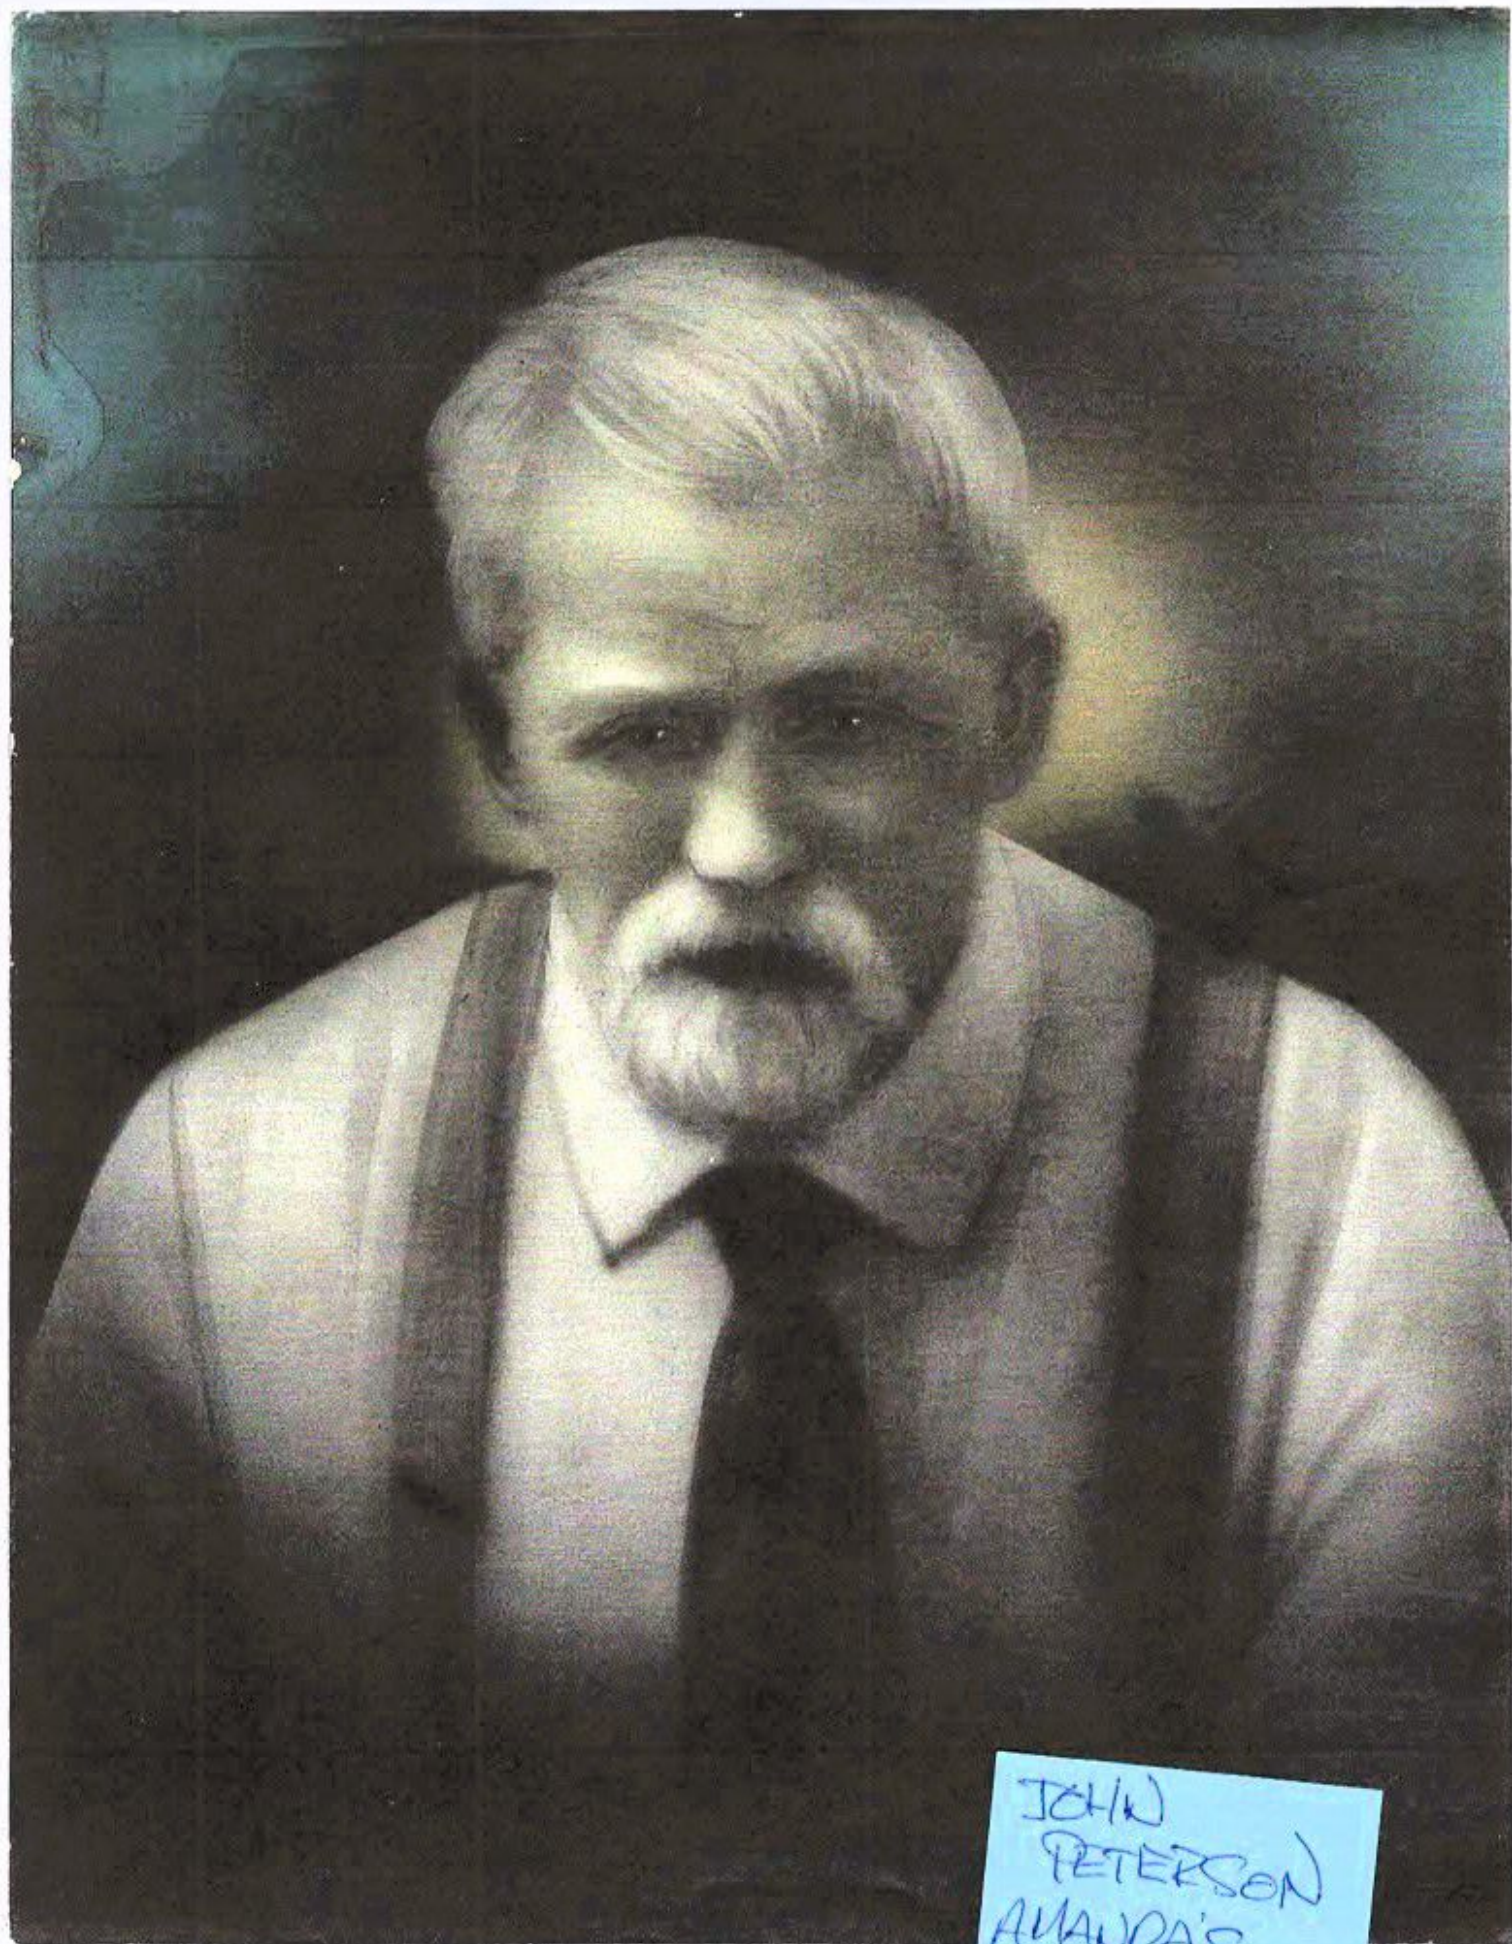

Al Devers and Amanda Peterson married on Feb. 16, 1896 in Woodland when he was 24 and she was 17. They had ten children. After the birth of their second child they moved to Missouri and then later to the Texas Panhandle. They lived there until 1947 when they returned to the Ridgefield, Washington area. Amanda died September 18, 1955, and Al died January 16, 1965.
